

Prophetic conversation/ word given on July 21th 2021 at 1:40pm GMT+2

Guess many people would like to hear an answer about that current number one subject...
However, the answer I received has some variables
My words/ questions are in Italic, and blue

Here the prophetic word (including mine):

*So I asked (and honestly didn't expect an answer):
When are you going to end this Vax thing / or better say,
the whole Covid nonsense?*

The Lord Yeshua answered: Not yet!

I responded: Why not?

Yeshua said: There are yet not enough (people)
who bowed down and had a chance to receive
their commitment stamp, still too many placebos.
I will not send the angel of death before it's time.
But soon he will be released.

Me again: what is soon?

Yeshua said: Sooner than you think.

My next response: I heard that (soon) before often times but still nothing happened for a long time.

Yeshua: Wait and see

and you don't even need to open your eyes.

You will be able to smell it like dead rats and animals,
worse than cockroaches.

By next year, all will be done in an instant, in a moment,
faster than anyone can breathe to speak out.

Hold your breath for that moment and you (all)
will be surprised how I will perform everything.

Not by men's commandments

but by My Spirit all flesh will know who I am .

The I am, the One who was, who is and who is to come.

Before you go to sleep, ask me again and I will tell you.

In a dream, in a vision, in My presence in My Glory when you (are) awake.

I will bring you down, I will bring you out,

I will bring you in, into My destiny I prepared for you.

In my time in your peace.

End of prophetic word

Keep in mind it is not clear which year it speaks of, and when within the year.

Blessings and Yeshua be with you.
