

Prophetic Word from Yeshua, given on November 02nd 2021 around 10:30pm

Note:

I received this word during prayer time,
since I have not looked up on the clock the time might not be very accurate.

Now the word:

One moment will come, when they will run.
They will run and hide.
But there is no place where anyone can hide from Me.
I will bring them (the wicked) down and you My righteous up.
Follow Not the path of wickedness as it will lead to eternal death.
Death beyond the grave (here on earth) is the real death.

There, where the worm will never die and the people (who end up there) will cry.
The fire, tormenting flames will burn forever.
A place without My light is much darker than you can imagine.
Wicked people, foolish from the core.
The day is near when they will try to hide.

Oh Babylon, prepare (yourself) for your time is almost up.
One more step and you will fall into the pit you dug.
Jezebel will come right after you and once again the dogs will lick her blood.

Frankfurt, Dublin, Bonn, Chicago, Tokyo, Abuja, Mexico city, London, Moscow, Madrid, Rome,
what do they have in common is nothing you need to know for now.

As for you My Child... what is left to say?
The only thing for you is to pray – be still and watch My Power, My Hand is moving.

End of prophetic word.

Note:

The section where it mentions a number of cities, I have no insight about that.

Let the Holy Spirit guide you through this prophetic word for deeper understanding.

Blessings and Yeshua be with you.
